

## WELCOME

We would like to take this opportunity to welcome you as a member of Clark Electric Cooperative.

Clark Electric Cooperative is more than just an electric utility operating miles of power lines, transformers and meters. Your cooperative is PEOPLE – you, the board of directors, and a dedicated staff of employees all working together.

With this in mind, this information guide has been prepared to briefly outline information about the cooperative and what you can expect from your cooperative and what we expect from you. We sincerely hope that you will take a few minutes to read it and keep it handy for future reference.

Again, WELCOME. If you have any questions after reading this guide, just call or stop by our office in Greenwood, WI. You will always be welcome. After all, this is YOUR cooperative – you own it. We're here to help you!

Cooperatively yours,

The Board of Directors  
Management & Employees of  
Clark Electric Cooperative
